

# COLCHESTER ZOO

## Supervision of Students

Primary pupils and pupils in years 7, 8 and 9 must be in supervised groups at all times. Responsible pupils in years 10, 11 and older can be unsupervised.

## Meeting Points

Out of respect for our other visitors, please do not gather groups where you may block pathways or congest food outlets. Please see the map for suggested areas that have enough space to meet and/or gather large groups of students.

## Lunches

Colchester Zoo has many picnic areas schools can use. These cannot be pre-booked. The numbers in the circles signify the estimated capacity for each picnic area. Please note, other groups may also be using the same space.

## Play Areas

Secondary schools and over 16s are not permitted to use any adventure play areas. Primary Schools are only allowed to use the Zoo's play areas between 12-2pm. No schools are permitted in the Jungle Tumble soft play area.

## School Talks

If you have booked an educational session, please meet at your session location 5 minutes prior to your scheduled start time.

# SCHOOL MAP

**Walking Times**  
From the entrance, following the most direct, non-stop route in minutes.

For a detailed Zoo map, please refer to our website.  
If you have questions, please contact our education department at **01206 332511** or **education@colchesterzoo.org**
