

CELEBRATING 60 YEARS
COLCHESTER ZOO
EST. 1963

HAPPY 60TH BIRTHDAY
BY BRETT W

Celebrations are upon us, 60 years of the Zoo,
Our place of adventure, for both me and you.
Learning and exploring, through the mud and the trees,
Caring, and protecting, it's a wonder to see.
Hearing birds squawk and mighty Lions roar,
Encountering Elephants, and so much more!
Sharing these memories with those you love most,
Train rides to Lemurs and feeding the Goats.
Extraordinary experiences, there is so much to do,
Rajang's Forest and his Orangutan crew!

Zebbras, Cheetahs, stripes, and spots,
Over many years I have seen the lot.
Our thanks go out to all you do, all the staff at Colchester Zoo.
