COLCHESTER ZOO
BY JOSEPHINE SACH

Colchester Zoo is not to be missed,
When you are planning one on your list.

I was brought up three miles from there,
I even hear the Lions roar when I am in my chair.

We visited Colchester Zoo when my daughter was small,
Hearing the Elephants call.

I worked in the Sandwich Bar you know,
My daughter worked in the Penguin Gift Shop.

So many memories Colchester Zoo holds dear,
May it go on for many a year.
