“What’s THAT?”

BY NICK GOODALL (AGE 62)

Come to Colchester Zoo,
You won’t believe what you’ll see.
Never before, (well perhaps one or two),
Here’s a clue: it begins with a ‘Zee’.

I think you mean ‘Zed’,
It’s a Zebra that’s bred.
With a Donkey!
No way!

Roll up to the plains,
Your life won’t be the same.
Your eyes go ba-donk,
It’s a real life Zeedonk!

Is it the front, or the back that’s a Zebra?
The top, or the bottom, the Donkey?
Or is it all mixed up, in between and the
Zeedonk’s a Donkey that’s wonky?
