

CELEBRATING 60 YEARS
COLCHESTER ZOO
EST. 1963

BY NOAH JASPER PIERSON (AGE 7)

Come rain or shine in Africa, South America & Asia,
Our animals and visitors are always there.
Lions are playing with their toys,
Caroline the Crocodile plays hide and seek under the waterfall.
Hyenas prowl and bark,
Elephants bow down for their keepers checks.
Snakes slither and slide,
Tiger cubs are now not very small.
Easter, Christmas, and Halloween the animals celebrate,
Rhinos have babies; the newest born this year.

Zebbras like to run fast with their friends.
One funny memory is a Hippo pooing,
Over the glass, swish, swish went the tail!
